The Eastern Devils, The Premier Women's F.C.

Entering our 21st season, we are one of the most established teams in the league and our aim is to be the premier women's football club in Victoria, competing at community level. We have strong ties with the VFLW and AFLW clubs and past Eastern Devil players now play for Collingwood, Melbourne, Adelaide, Western Bulldogs and GWS in the AFLW.

Our coaches are highly qualified and committed. We provide a safe and supportive environment for females to be physically active and offer players of all experience and skill levels the opportunity to play Australian Rules Football.

We've won 4 premierships: 2008, 2013, 2017 & 2018.
